

6A-14.0303 General Education Course Options.

(1) Purpose. It is necessary that every undergraduate student of a Florida public postsecondary educational institution graduates as an informed citizen through participation in rigorous general education courses. General education courses should provide broad foundational knowledge to help students develop intellectual skills and habits that enable them to become more effective and lifelong learners and contain high-level academic and critical thinking skills. This rule implements the requirements for general education courses as required by section 1007.25, F.S., and the principles, standards and content for general education required under section 1007.55, F.S.

(2) General education core courses. Courses listed in this subsection implement the required principles, standards and content in accordance with s. 1007.55, F.S. Prior to the award of an associate in arts degree, specialized associate in arts transfer degree, or baccalaureate degree, first-time-in-college students entering a Florida College System institution in the Fall Term, 2015, and thereafter must complete at least one (1) course from each of the general education subject areas listed in this section. Beginning in the 2022-23 academic year and thereafter, students entering associate in science or associate in applied science, degree programs must complete at least one (1) course from each of the general education subject areas listed in this section prior to the awarding of their degree.

(a) Communication:

1. ENC X101 English Composition I; or
2. Any student who successfully completes a course with an ENC prefix for which ENC X101 is an immediate prerequisite shall be considered to have completed the communication core.

(3) Other means by which students can satisfy general education core course requirements.

(a) A student who has completed an associate in arts degree, specialized associate in arts transfer degree, or baccalaureate degree conferred by a Florida College System institution or state university is considered to have met general education requirements, including requirements for general education core courses.

(b) Institutions must recognize credit earned through an acceleration mechanism in section 1007.27, F.S., as meeting the related general education core course requirement as prescribed in Rule 6A-10.024, F.A.C.

(c) Institutions may grant a substitution or modification to the courses listed above for eligible students with disabilities, subject to Rule 6A-10.041, F.A.C.

(d) Each institution must accept a student's courses taken as meeting general education core course requirements upon transfer, regardless of whether the receiving institution offers the identical general education core courses.

(e) An institution may not require a student to complete an additional course to meet a subject area requirement in subsection (2) that was completed by the student at a Florida College System institution or state university with a course that has since been removed as a general education core course.

(4) Institutional implementation and reporting of general education core courses. Institutions shall report to the

Statewide Course Numbering System, established in s. 1007.24, F.S., all courses used to fulfill subject area core course options. Any course recommended by the institution to be added to its list of general education core course options from subsection (2) of this rule must follow the statewide course description provided in the Statewide Course Numbering System and shall be reported to the Office of K-20 Articulation at Articulation@fldoe.org for review. Each institution may apply its own course titles to the general education core course options.

(5) Institutional general education course offerings implementation and reporting. The remaining courses and credits, in addition to the core course options, to fulfill the total 36-hour general education requirement for an associate in arts degree, specialized associate in arts transfer degree, and baccalaureate degrees are provided by each Florida College System institution and approved by the State Board of Education in accordance with this rule. An institution may not require a student to take an additional course to meet a subject area requirement that was completed by the student with a course that has since been removed as a general education course.

(a) Each Florida College System institution board of trustees and president must annually review and approve, at a public meeting, the courses offered by the institution that meet general education course requirements in accordance with ss. 1007.24, 1007.25 and 1007.55, F.S.

(b) Each institution must submit its approved list of general education courses to the Articulation Coordinating Committee no later than September 1 of each year by the course prefix and number in the Statewide Course Numbering System, including the institution's course title, in a format prescribed by the Department.

(c) The Articulation Coordinating Committee shall annually submit each institution's completed list of general education courses to the State Board of Education, along with the statewide data elements required in s. 1007.55, F.S., no later than December 1 of each year.

(d) Using the criteria for general education course standards, principles and content listed in s. 1007.55, F.S., the State Board of Education will approve or reject each institution's list of general education course offerings and notify the institution in writing within ninety (90) days of receiving the list from the Office of K-20 Articulation.

1. If the State Board of Education rejects an institution's list of courses, the reason(s) for the rejection will be provided in writing to the institution, including any specific courses that were found to be not in compliance with the statute.

2. An institution whose list is rejected must resubmit its list to the State Board of Education for reconsideration within sixty (60) days. Until the new list is approved, the institution must continue to offer courses from the prior

approved list.

3. If an institution whose list is rejected does not submit a revised list within sixty (60) days, or if the resubmitted list is rejected by the State Board of Education, the Commissioner may withhold performance funding payments for that institution until it submits a course list that meets requirements and is approved by the State Board of Education.
