

Basic Skills Licensure Exemption List 2020-2021

In accordance with section 1004.91 Florida Statute, A student who passes a state or national industry certification or licensure examination that is identified in State Board of Education Rule 6A-10.040 FAC and aligned to the career education program in which the student is enrolled is exempt from this section. The following list identifies all postsecondary career certificate programs (450 clock hours or greater) active in the 2020-2021 academic year. Please note, that some postsecondary career certificate programs do not have aligned industry certifications or state/federal licensures.

Title	Program #	Career Cluster	Certification Code
