6M-8.620 Voluntary Prekindergarten (VPK) Coordinated Screening and Progress Monitoring Program.

(1) Definitions. As used in this rule:

(a) “Coordinated Screening and Progress Monitoring Program” is the statewide, standardized program implemented in all VPK programs as required by Section 1002.68, F.S. The assessment results shall be used to identify student learning gains, index development learning outcomes upon program completion relative to the performance standards in early literacy and mathematics established under in Section 1002.67(1)(a), F.S., and representative norms, and inform a private prekindergarten provider’s and public school’s performance metric.

(b) “Progress Monitoring One” (PM1) is the first test administration thirty (30) instructional days of the VPK class schedule, beginning with the first VPK instructional day. For programs that have 83 or more instructional days, PM1 must be administered in the first 30 instructional days of the VPK class schedule beginning with the first VPK instructional day. For programs (including summer VPK) that have 82 or fewer instructional days, PM1 is the first 10 instructional days of the VPK class schedule beginning with the first VPK instructional day.

(c) “Progress Monitoring Two” (PM2) is the second test administration. PM2 must be administered in the period of time in a VPK class schedule where at least 40% of the instructional hours have been completed and no more than 60% of a program’s instructional hours have been completed.

(d) “Progress Monitoring Three” (PM3) is the third and final test administration thirty (30) instructional days of the VPK class schedule, ending with the last VPK instructional day. For programs that have 83 or more instructional days, PM3 must be administered in the last 30 instructional days of the VPK class schedule ending on the last VPK instructional day. For programs (including summer VPK) that have 82 or fewer instructional days, PM3 is the last 10 instructional days of the VPK class schedule ending on the last VPK instructional day.

(e) “Test Administrator” is the qualified person who administers the assessment to children enrolled in a VPK program.

(f) “VPK Class Schedule” is the approved VPK class calendar identified on Class Registration Application — Calendars (Form OEL-VPK 11B) in accordance with Rule 6M-8.300, F.A.C.

(2) The VPK Coordinated Screening and Progress Monitoring Administration Program.

(a) Each private and public school VPK program must participate in the coordinated screening and progress monitoring at least three (3) times during PM1, PM2, and PM3, a minimum of three (3) times within a program in accordance with s. 1008.25(8)(b)1., F.S. Each program private prekindergarten provider and public school must provide a student’s performance results from the coordinated screening and progress monitoring to the student’s parents within seven (7) days after the administration of such coordinated screening and progress monitoring.

(b) Progress monitoring assessments must be administered by qualified test administrators as defined in paragraph (3) of this rule.

(c) Progress monitoring assessments must be administered in English on an electronic device that is seven (7) inches or larger with audio capabilities, to individual students or small groups of two (2) to five (5) students. Student headphones must be used in small groups.

(d) Testing accommodations must be made in accordance with a student’s current individual educational plan (IEP) or 504 accommodation plan issued by the local school district.

(b) Assessment administration materials.

1. The assessment shall be administered on a touchscreen device that is seven (7) inches or larger with audio capabilities. Student headphones shall be used when administration occurs in group sizes of two (2) to five (5) students.

2. A broadband internet connection (DSL, satellite or cable) is required for administration of the assessment.

(3) Qualified Test Administrators.

(a) To be qualified as a test administrator, an individual must:

1. Be employed by a public or private VPK provider or school district; and
2. Complete, and document completion of, professional development training that is designed to ensure the proper administration of the assessment. Annually complete training designed to ensure the proper administration of progress monitoring assessments.

(b) Prior to administering the progress monitoring assessments to students, test administrators must submit documentation of completed training and signed copies of the Test Administration and Security Agreement and Test Administrator Prohibited Activities Agreement to the early learning coalition via the Provider Portal. Early Learning Coalitions shall verify each that test administrator meets the requirements outlined in paragraph (3)(a) of this rule.

(4) Administration.

(a) Private and public school VPK programs shall administer the assessment during PM1, PM2, and PM3 as defined in subsection (1) of this rule. The assessment must be administered by qualified test administrators as defined in subsection (3) of this rule.

(b) The assessment shall be administered on a touchscreen device that is seven (7) inches or larger with audio capabilities. Student headphones must be used when administration occurs in small group sizes of two (2) to five (5) students. The assessment must be administered individually or in a small group with no more than five (5) students.

(c) The assessment shall be administered in English.

(d) Testing accommodations shall be made in accordance with a student’s current Individual Educational Plan (IEP) or 504 plan issued by the local school district.

(45) Early Learning Coalition and School District Responsibilities Verification and Compliance.

(a) Each coalition and school district must assign a staff member to register and serve as the coalition or school district assessment administrator for the assessment on behalf of the coalition or district.

(b) The coalition or school district administrator must access the available vendor’s system reports during progress monitoring assessment windows to verify which VPK programs have administered the assessment for PM1, PM2, and PM3.

(c) Each coalition and school district must document attempts to notify private and public school VPK programs that have not administered the assessment for PM1, PM2, or PM3.

(d) Each coalition and school district must collect documentation to verify that each test administrator meets the requirements outlined in subparagraph (3)(a) of this rule.
